# WATER TESTING

## CITIZEN SCIENCE TOUR

For more info  
and for booking:

## ABOUT THE TOURS

Test several aspects of water quality. Learn what each aspect indicates about the health of the river, and how we can help improve it. A great activity for kids!

Check out existing tour options on our website. Book a tour specially for learning about water quality and water testing, or add it in for 30 mins to any of our tour options.
